Resume

Imagine a haven of tranquility where every moment transforms into a unique experience. A home away from home, where every nook exudes comfort and serenity. A sanctuary of intimacy that invites you to explore the vastness of the world in complete tranquility. This is the essence of true freedom, in all its magnificence.

The SIXTY 7 embodies above all the elegance of reason. An elegance rooted in the purity of its lines and the subtlety of its design. It's the kind of beauty that has the wonderful ability to manifest itself in various ways: simultaneously spacious and concise, it reaches the very core of being while avoiding superficial displays.

The interior spaces of the brand-new SIXTY 7 mark the culmination of an evolution characterized by open and flowing spaces that seamlessly connect the interior with the exterior, providing panoramic views of the surrounding beauty.

The seamless connection between the interior and exterior spaces preserves both intimacy and convivial moments. Every aspect of life on board has been meticulously considered, whether with family or friends, to create spaces and atmospheres that correspond to each unique experience.

THE PERFECT BALANCE BETWEEN AUTONOMY AND PERFORMANCE. Designed to traverse oceans while offering an exceptional coastal cruising experience. The central helm station coexists harmoniously with the relaxation areas, providing breathtaking panoramic views. The SIXTY 7 is more than just a boat; it's a cocoon of luxury and adventure that invites you to explore the farthest horizons while indulging in absolute comfort.

Envision yourself on board, sailing towards exotic destinations, as every detail of the sumptuous interior and intelligent design envelops you in well-being. With the SIXTY 7, each journey becomes an odyssey, each moment becomes a story, and each instant becomes a celebration of life.
